Happy anniversary, Fujoshi Bitches! Really enjoy all your work and am proud to be able to work with you all.

Megamane

Thanks for reading and enjoying our world. Look forward to seeing more of you in the future!

Leo

Heidi! Happy anniversary TupoB! I'm so glad to be part of such a nice team! I hope there will be as much more anniversary's coming in the future! Kiss =

Firefang

-My dear TupoB, Let's grow perry together, And blow... them sandies- My love for bad hentai nede, what I love about proofing: putting words into people's mouths, what I hate: axes OGA overload. Keep feeding me fairy tales & delightful conversations, & I'm all yours. Happy 3rd Ann... gonna say cake, I won't eat it :)

Simon

Happy anniversary!
Here's to another year of
daring more mischief :)
Nathangyn

Thank you Fujoshi Bitches for making my ability to redraw perry scenes. I never would have realized my hidden talent otherwise. I love helping spread all of the BL love and have had so much fun in my time here! Here's to many more years together!

Gems

Heidi I'm pretty new to the group but congrats on the anniversary and I hope we can create more BL content~

Majika

Happy 3rd Year Anniversary, Fujoshi Bitches!

Wow, it's been a year and a half now. Thanks for everyone's hard work as always! T...TB

Justicia

Wow, 3 years already? I'm truly grateful to everyone that has helped TupoB over this past year! Gonna leave you but the ones that stick are truly amazing! We couldn't have a group that does as well without each and every one of you. It's the staff here at TupoB that makes me love what I do, they're all true friends! <3 We can make this coming year even better! Thanks goes to Nathangyn that drew her own version of Kaku and Neruana for your eyes! I'd also like to thank our perry partners, without them it'd be hard to do a lot of stuff we're doing! Finally thank you, the readers that support us with your lovely comments and kind words that help us push forward.

Cryptidgen

Literally joined a month ago, but happy anniversary to FB and hope to stick around for the next one :D

Paper bliss <3

Candice

Fujoshi Bitches is like the most productive and consistent group I've ever dated (worked) for. Crye is an amazing head, always providing me with delicious manga to work with, and works super efficiently! I've been in FB for about a year and I hope I can stay here for as long FB is around! Thanks for having me and I'm so glad to be working alongside with fellow fujoshi! (w^o^o)

Joan

Happy anniversary TupoB! Time flies and it is wonderful to see that this group has remained strong, bringing us all a little taste of enjoyment. Thank you!

Johnny

Thank you for supporting us all this time. And thank you to Crye for always giving me stuff to work on and earning for each good moment! Happy anniversary to all FB members! :)

Mely

Happy Ann FB!

Even though I haven't been a member of this group for long, I have had the chance to take part of many projects and got to read quality BL :D Thank you Crye, for letting me join the group and teaching me many things, thank you FB staff for all the hardwork they've been putting into releases, and thank you readers for all your support!

Hello, I'm Aomoto Sari.

Thank you very much for purchasing "Eden in Your Color".

I used Hoshino as a parody drawing a parody of his when they finally experience each other's feelings. Here, I'm blessed with the opportunity to do their property.

The writing period was shortened, and I was also able to draw the color last-minute, including the cover, so thank you I think.

As for me, I really like the color and illustration but I don't know what makes them about them as well as the contents of the work. "I'm so nervous. I'd be really thankful if you could find something to enjoy in this book."

About The Character Tio &

Tio is 22, Tio is 21. They're a couple with a 10 year age difference. Of course I do like younger women but it's not just a girl who is the mother one of my characters. Tio's character is like that of an older brother, so for sure Tio will be on the receiving end of much punishment.

I also like Tio's hair pattern.

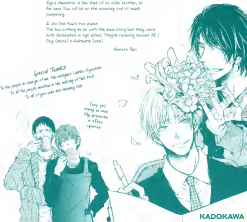

There's nothing to do with the new story but they were both classmates in high school. They're randomly named 22 / Day (Sari) & Kishimoto (Sari).

Aomoto Sari
